Dear Ms. Gardner:

Thank you for your letter of April 10 to Director of Central Intelligence William Casey requesting his favorite recipe. Mr. Casey is proud of his Irish heritage, so it should come as no surprise that one of his favorite recipes is Irish Stew. The recipe is enclosed.

I regret, however, that we will not be able to comply with your request for an autographed picture of Mr. Casey. As I am sure you understand, we receive many similar requests, and Mr. Casey's busy schedule unfortunately does not allow him the time to personally respond to all of them. Consequently, to do so for one would be unfair to the others. I have instead enclosed a photograph of Mr. Casey and a copy of his biography.

Thank you again for writing us.

Sincerely,

Public Affairs Division

Dear Mr. Casey,

As the publisher of a weekly newspaper, I am always seeking ways to personalize our publication. One feature we are running successfully is our favorite recipes from famous people.

Would you be so kind as to send me your favorite recipe, personally autographed for photo reproduction, also, an autographed photo, to be used in our column? It is hoped that someday all the recipes can be gathered in book form.

Thank you very much for your consideration. I look forward to hearing from you.

Sincerely,

A handwritten signature in cursive script that reads "Barbara Gardner".
